

SE Announces Redesigned Website

SE launched its newly redesigned Web site at www.SutureExpress.com. Changes to the site include a more advanced search function and an improved electronic store that makes shopping for Suture/Endo/Mesh products easier. Other new features include:

***online enrollment**—new facilities can enroll in minutes!

***contact us**—need help with tracking reports or contract loads? Find your rep at SE.

***return goods form**—did you know we are the experts with conversions? We can help you get your products in the door with our no restocking fees!

Check us out at

Steve Boyer named VP of Distribution

Steve Boyer joined Suture Express in April of 2008 as the Vice President of Distribution operations. Steve has over 23 years experience in the distribution and logistics industry, working with Fleming Food Company, Wal-Mart Stores distribution and logistics, and most recently with Owens and Minor, Inc. Steve received his Bachelor's of Business Administration degree in Marketing from Washburn University in Topeka, Kansas.

Steve brings an out of the box thinking mentality to the distribution center and his focus and passion are already felt around the halls of Suture Express. Welcome Aboard Steve!

Now Stocking Permacol! AbsorbaTack™ & Parietex Mesh also on shelves

That's right.....we have EVERY Mesh Product code readily available on our shelves for next day delivery. No "Non-Stock" codes for SE! And best of all, save your hospital's \$ as our prices are always lower than even buying direct. No 3% handling fees! Maybe we should change our name to Mesh Express?

FUN FACTS

SE shipped 328 units of Abstack20
SE shipped 790,000 total pounds of wound closure products in 2008
