

EXPECT MORE

from your distributor

For the next level in savings and efficiency.

You don't have time for suppliers who bring you complicated contracts, backorders, price hikes and mediocre service. Now you can meet the diverse needs of the surgeons and clinicians who rely on you for the right supplies at a moment's notice, all while adding significant savings and reliability to your supply chain. With Suture Express, you gain immediate access to a complete range of products and inventory management tools designed to put you ahead of the supply curve, and keep you there.

When you **NEED** to:

Create order from chaos.

With superior service, full transparency and the best supply chain support available, choosing Suture Express isn't just smart...it's easy.

Demand greater savings.

Save 20% on average with Suture Express. Low pricing, no hidden fees and 100% credit on conversions – these transactional savings combine with supply chain efficiencies that eliminate costly rework to help you **meet your budget goals**.

Eliminate inefficiencies.

Get full support for just-in-time inventory and lean supply management. Our specialized expertise in **PAR level optimization, inventory tracking and forecasting** means you get the tools you need to solve every inefficiency in your surgical supply chain.

Build confidence.

Tell your providers the products they need will always be ready. Get our **99.4% fill rate** and **next-day delivery** on more than **6,000 surgical SKUs**.
