

When you need

TOTAL CONTROL

over your inventory

**FILL
RATE**

Expect more from your distributor.

Clinicians count on you for the right products to care for their patients, holding you accountable when your suppliers fail. That's why your trust belongs with a distributor who supports your success by helping you optimize inventory, meet budget goals and boost clinical satisfaction. With Suture Express, you get the industry's highest fill rate and lowest lead times on the biggest selection of products, so the supplies you need are always ready and waiting for you, never the other way around. Take the control that's rightfully yours – switch to Suture Express today.

When you **NEED** to:

Avoid backorders.

Create the **most reliable supply chain** with our **99.4% fill rate** and next-day delivery across 6,000+ **core and non-core** surgical SKUs. With Suture Express, you have the freedom to order exactly what you need, exactly when you need it.

Eliminate wasted staff time.

You should never have to backtrack, reorder or reschedule to meet the product demands behind clinical excellence. **Ensure uninterrupted care** through seamless supply chain service that includes tools for smart **inventory tracking and forecasting**.

Keep everyone happy.

Make life easier by putting the right products at everyone's fingertips. With our transparent low pricing and robust purchasing data, you can **optimize on-hand inventory** and **stay on budget**, so you'll keep financial leaders happy, too.
